FRANK'S HARNESS LIST

This is a current list of the major harnesses that we have available. All harnesses are in very good condition unless marked with an asterisk. This list was designed for our use but since we have so many it was decided that we put it up on the web site. Small harnesses for consoles, accessories are not on this list. Power window and door lock harnesses are on our other list <http://franksPontiacParts.com/pwharnesslist.pdf> Prices on this list depend on supply and demand as well as how the car was equipt. Reproduction harnesses are very expensive, you can save a considerable amount by replacing your damaged harnesses with quality used ones. We also have a vast selection of harness ends and bulb sockets, just inquire by email.
